PROFESSIONAL EXPERIENCE

Sonali Sourav Tours & Travels | *Client Relationship Executive*

Jan 2026 – Present

- Act as the primary point of contact for building and maintaining strong, long-term client relationships.
- Provide expert guidance on migration and visa processes to ensure clients receive accurate, tailored information.
- Collaborate with internal teams to ensure all client documentation and visa requirements are met with high precision.

ICT Layer | *Content Manager*

Sep 2025 – Dec 2025

- Orchestrated comprehensive digital content strategies across platforms using CMS tools, boosting target audience engagement and web traffic by 35%.
- Directed cross-functional workflows between designers and developers to deliver on-brand marketing assets, adhering to strict release deadlines 100% of the time.
- Analyzed user interaction metrics and A/B tested content formats to maximize inbound lead generation and optimize digital presence.

Nitex | *Data Operator*

Feb 2024 – Aug 2024

- Processed and analyzed supply chain datasets for over 4,000 products using Excel and data tracking tools, delivering actionable insights to stakeholders.
- Formulated automated data categorization structures, significantly reducing manual data retrieval times and resolving operational bottlenecks by 30%.
- Visualized probable business outcomes based on historical inventory metrics, enabling senior leadership to execute optimized stocking strategies.

- Executed high-volume outbound telesales and inbound consulting workflows, matching 50+ students daily with customized educational solutions.
- Leveraged student demographic data to recommend targeted courses, exceeding monthly conversion targets and achieving a 95% customer satisfaction score.

EARLY CAREER HIGHLIGHTS

- **Digital Dropouts | Video Editor** (*Sep 2023 – Dec 2023*): Edited 30+ high-retention video projects using Final Cut Pro, elevating client social media engagement by 20%.
- **UY Lab | Graphic Designer** (*Apr 2021 – Jun 2021*): Created targeted visual marketing collateral catering to distinct client brand guidelines.
- **Puma & Aarong | Sales Executive** (*May 2017 – Oct 2019*): Drove direct retail sales through advanced upselling and personalized B2C customer service techniques.

KEY PROJECTS

Product Catalogue Database Architecture | Nitex

Apr 2024 – Jun 2024

- **Problem:** Severe supply chain inefficiencies caused by unorganized tracking of physical product inventory.
- **Action:** Engineered a centralized digital database encompassing 4,000+ unique physical products and designed a QR-based SKU recognition system to automate tracking.
- **Result:** Eliminated widespread manual search errors, accelerating inventory identification speed by 80% and ensuring total data accuracy across the organization.

EDUCATION & CERTIFICATIONS

- **Bachelor of Arts(English)** | National University (2022) (CGPA: 2.38)
- **Higher SecondaryCertificate(BusinessStudies)** | Gulshan Commerce College (2016) (GPA: 4.00)
- **Secondary SchoolCertificate(BusinessStudies)** | Banani Bidyaniketan School & College (2014) (GPA: 3.88)
- **Certifications:** Professional Graphic Design (UY Lab, 2020) | Diploma in Computer Graphics Design (2014)
